Surface area of 0,3 Ha; 5200 vines/Ha; Vineyard Spacing 2,40x0,50; altitude of 270 m/asl; South/South-West exposure.

Country	Vintage
Italy	2022
Region	Colour
Trentino	Red
Format	Denomination
0.75 l	IGT

### **Ageing And Refinement**

In oak barrels at the third passage for about 6 months.

### **Notes And Curiosities**

"Since 1999, the year of our arrival in Vallarom, we have decided to practice organic farming which we believe to be more in line with our objectives and our life choices. From the very beginning we have noticed a gradual and vigorous change in nature that we are aware of. The characteristics of the estate are fundamental for the change: the draining soils, the exposure of the vineyards, the surrounding woods, and the mild and dry climate conditioned by the wind Ora del Garda. We have not used selected yeasts or other practices that we consider invasive in the cellar for a long time". BARBARA MOTTINI AND FILIPPO SCIENZA

### **Soil Geology**

Calcareous and dolomitic.

### **Vinification**

In steel with maceration of 6/7 days.

### **Yield Per Hectare**

80 q/Ha

### **Harvest**

Manual in boxes with selection in the vineyard

### **Organoleptic Evaluation**

Violet red colour, with floral notes of excellent structure and freshness.

### **Vine Training System**

Trentino simple pergola

### **Year Of Planting**

1987

### **Winery**

Vallarom

“A family-run business”: this is how Barbara and Filippo, with their son Riccardo, love to define their winery. Certified Organic Vegan, it is one of the first wine-producing realities that one meets entering from the south into Trentino, with the beautiful Sabbionara d’Avio Castle at the front, revealing a gentle welcome to visitors. Besides producing one of the best expressions of Trentino Pinot Nero, this farm is famous for the Moscato Giallo, the Marzemino and the Lambrusco a Foglia Frastagliata (jagged leaf). Hectares of vines: 7
